

What better way to *connect* with your team

than trading your Zoom account, emails and whatsapp's for luxury, fresh air and expansive spaces within the wide open landscape of nature.

It's been a long time since we've been able to attend a board or team meeting, or created team building experiences in person.

Our brand new lodge is uniquely designed to host your conferencing and team needs in that:

- The open air architecture of the public areas allows fresh air flow
- Expansive spaces to very comfortably social distance from other guests

Apart from the structure of the lodge, we are taking all necessary steps to prepare the lodge according to the COVID-compliance health and safety standards as regulated by Government, so that you can reconnect with your team safely - in person, in the quiet and magnificence of nature.

This includes best practice hygiene measures front and back of house:

- **Guest Safety Precautions**
- **Overall Lodge Hygiene**
- **Dining**
- **Tents and Main Areas Sanitisation**
- **Our Team and their Extensive Training**
- **Game Drive Vehicles capacity & hygiene protocol**

Rest assured, we have spared no details in ensuring safe hygienic surroundings for our guests, and our team. With all the safety precautions in place, you will be free to kick back and relax- and focus on your team's agendas.

You can read more about these safety measures, medical necessities, payment facilities, COVID-related bookings, and travel questions on our website.

MDLULI SAFARI LODGE
Kruger National Park

Mdluli Safari Lodge offers guests a luxurious, tented experience inside the borders of the Kruger National Park.

The Lodge is located in the south-western side of the Park, which offers the perfect spot to view the Big 5. Guests can access the lodge via a private road approximately 6km from Numbi Gate - the closest access gate to Gauteng (five-hour drive) and to Kruger Mpumalanga International Airport (KMIA) - a 45 minute shuttle.

The Lodge is a proud partnership with the Mdluli Community.

Mdluli Safari Lodge specializes in personalised conferencing arrangements for smaller groups of up to 40 delegates - or alternatively full lodge capacity, of up to 100 guests (50 persons sharing).

In the safety interests of guests and staff for the interim we have limited the number of delegates for small board meetings and strategy sessions to a maximum of 12 pax. As per regulations, larger groups of no more than 50 people can be accommodated upon exclusive use of the lodge. Please contact our team to arrange.

Our conference dining experience offers delegates both indoor and outdoor options - including a private dining area within the restaurant, boma dinners around the open fire, and off-site dining in the bush. Dining options include buffet, ala carté and set menus.

Halaal and Kosher dining can be arranged upon request.

The restaurant, bar, deck area and infinity swimming pool all have sweeping views across the vistas of the Park.

Delegates can enjoy game drives on open safari vehicles, as well as bush walks - all managed by experienced guides. Evening game drives include sundowners in the bush.
